SABBIR AHMED

Beginner Level MERN Stack Web Developer

📞 **+8801791111482**   @ **sabbir.designer21@gmail.com**   🔗 **https://linkedin.com/in/sabbir-ahmed-77k/**

📍 **Ashulia, Savar, Dhaka**   ☆ **https://github.com/sabbirsolid**

SUMMARY

I have expertise in making websites using HTML, CSS, TailwindCSS, and Javascript, React.JS for the front-end. As well as Node.js and Express.js for the backend and MongoDB as the database.

EXPERIENCE

Web Developer

Catering Connects

📅 2024 - Present   📍 Dhaka, Bangladesh

Now I am working on a project to build a website that will keep all catering services in our country in one place to make it simple.

- Working as a team using GitHub collaborations.
- Using my proper learnings to build a proper working website.

Graphic Desigining

Fiver & Freelancer.com

📅 2020 - 2022   📍 Rajshahi, Bangladesh

Applied professional-level skills in various types of work for multiple clients in these platforms.

- Developed multiple logos, banners as well as branding stuff.

SOME OF MY WORKS

Chill Gamers

ChillGamers is a dynamic single-page website dedicated to providing comprehensive reviews of the latest video games.

Live Link: https://game-lens.web.app/
Github: https://github.com/sabbirsolid/chill-gamers-client-a10
